## PRESIDENT'S MESSAGE

Welcome to Season 2002.

On behalf of the Directors of Soccer West Coast I would like to thank all our clubs for their participation in what certainly was a season of contrast.

Special mention must be made of the success by the Perth Soccer Club for their efforts in winning 3 of the 4 major competitions last year.

The Midland Brick Night series, Boral Challenge Cup and the National Homes Top Five trophies are all in residence at Dorrien Gardens.

To Sorrento go our congratulations on winning the AAPT Premier League title.

My appreciation to our sponsors from last year and a warm welcome to all our sponsors for 2002. Your contribution to our game is vital and helps to provide spirited competition for our clubs.

I would like to thank all the volunteers who, week by week, work so tirelessly for their clubs and it will be the aim of this administration to improve our support for them and make their task much easier.

At the beginning of 2002 a decision was made by our clubs to admit two new members to our league. To both Future Glory and Mandurah City may I wish you success this year and a long lasting association with Soccer West Coast. The arrangement in place with Future Glory allows many of our members to attend National Soccer League matches in Perth as well as providing other benefits. The current administration at Soccer Australia has advised that there will not be a 2nd NSL team in Perth in the foreseeable future. However, I believe a second team will eventually come to Perth and provide great competition for Perth Glory, and provide a spectacle every week in Perth for soccer fans.

It is our intention to take our under 19 state side to France again this year. The tour last year was an outstanding success and many thanks to those that were involved.

I would like to thank my fellow directors for their support so far and to our own administration for their efforts in meeting the challenges put before them.

David Schrandt

## FROM THE GENERAL MANAGER

It is a pleasure to welcome players, supporters and member clubs to yet another edition of the Soccer West Coast Official Year Book.

A special welcome to all our Major Sponsors, especially

- AAPT Cellular One
- Midland Brick
- Boral
- National Homes
- Westnet Employment Services

A bold step has been taken this year with the inclusion into our competition of Future Glory. A step that can only be good for the game in general.

Another major move forward is the proposed inclusion of a Soccer West Coast Program on Access 31 TV, which will cover all facets of the game and a great promotion for soccer.

To our clubs, sometimes emotional but at all times contributors to the cause, a special thanks.

I also must thank the Soccer West Coast Board led by President, David Schrandt for their tireless commitment.

Last year, the State Under 19 Team coached by Eric Williams made an historic trip to France to play in the prestigious Tournoi De Croix tournament.

Again, we have been invited to this International Series, evidence of the performance both on and off the field last year. This year, former Australian Captain and Ex-Perth Glory Coach, Gary Marocchi will be coaching the side.

Congratulations to Perth SC on a memorable season in which they took out the Boral Challenge Cup, Midland Brick Night Series, Champion of Champions and the OMV Champion Club Award.

Special mention to Administrator Angela Murphy, who has been a tower of strength.

Finally, I would like to wish all players and clubs all the very best for season 2002.

PAUL TOMBIDES  
General Manager

## A TON OF STATE MEMORIES

By Richard Kreider

Few would argue Perth Glory has placed an indelible imprint on the Australian soccer scene in the short time they have graced the National Soccer League. The large crowds at Perth Oval is clear testimony of this, much to the irrefutable envy of most other NSL clubs. Prior to 1996 however, the only 'relief' soccer devotees in the west had of seeing live top-class football was through the WA State team when they took on visiting interstate and international clubs. First-class matches, prior to the creation of the NSL were few and far between - especially in the world's most secluded city.

So when a game was actually confirmed, it was always going to attract a post-war average of eleven to twelve thousand fans, eager to satiate a swelling thirst for top-shelf soccer. In fact, frequent high attendances were always likely in Perth because of the unique fusion of European migrants, many of whom were dedicated in various intensities to the round-ball game.

A WA State side was resurrected for a trip to South Australia in early March of this year to commemorate that state's first one hundred years of organised soccer. By the cutest of coincidences, the trip coincided with the century anniversary of our very own WA State team.

Western Australia's first ever hit-out was against a touring English cricket select on March 24th, 1902 during a brief stopover in Fremantle prior to continuing their journey home after an extensive tour of the east. In those days, English Test cricketers were equally adept at kicking a football as they were at swinging the willow - even at international level. The game was played at Fremantle Oval before a healthy 4,000-plus crowd, on a hot summer's afternoon with two 30-minute halves owing to the ship's imminent departure time.

According to The West Australian newspaper, the 'MacLaren Eleven' won the match 4-0 with England International William Gunn netting a double and singles scored by A.O Jones and G.L.Jessop. The game was "not officially ranked as an international match" because of an unexplained late withdrawal of the Fremantle Wanderers players. (Even way back then, 'socker', as it was quaintly dubbed, had its fair share of backbiting!). WA played the cricketers two years later with another win to the guests; a 3-0 result, which the deputy MCC captain (R.E.Foster) stated "it was one of those occasions on which the better team had lost."

WA first played South Australia in April 1905 when the west trekked across the Nullabor for a number of games that included a three-test series, which were all won by the home state on Adelaide Oval.

The first test was a 5-1 trouncing before a 2,000-plus crowd, where a player called Dobbie, who according to the Adelaide Advertiser was to have "introduced the game to South Australia," scored four of the Adelaide goals.

In the second game, the visitors found the net four times, only to still go down 5-4 and Dobbie was again on target with a hat-trick. The hosts completed a triple of triumphs a couple of days later when they scraped home with the only goal of the game.

## A TON OF STATE MEMORIES

By Richard Kreider

It was another four years before the two states met again when the west went on an extensive yet highly successful tour of NSW, Victoria and finally South Australia in 1909. Despite being physically drained and no doubt significantly bruised after having played eight matches in 24 days, WA did remarkably well to come from behind and draw 4-4 with the 'Croweaters' in both friendlies.

The South Aussies returned the compliment in August the following year with a three-match test series in Perth. The home State won the first two, 2-0 and 4-1, while the third ended in a 1-1 draw.

SA and WA didn't lock horns again until after World War II, when the West won the 1948 Southern States carnival in Adelaide, after first downing the home side 4-2 and Tasmania 4-3, before beating the Tasmanians again (6-2) in the Final.

WA participated in a truly national championship in 1954 (again in Adelaide) and it was in fact a tournament they came close to winning had they not conceded a last-minute goal to NSW.

The next and final national championships they participated in, was nine years later when it was played at various venues around the country. WA beat NNSW 6-2 at Bayswater, lost 8-1 to Victoria and 2-4 to NSW at the Melbourne Olympic Stadium, lost 2-1 to South Australia at Hindmarsh Stadium, beat Tasmania 5-3 in Hobart, and drew 3-3 with Queensland at Perry Lakes.

(There were many new WA faces for the Queensland clash because of a protracted wrangle over training expenses).

Meanwhile, interstate action aside, the West has seen some memorable international clashes over the one hundred years, none more so than the 1975 win against Scottish club Rangers. It was the only match the Glasgow giants had lost in a nine-game tour that took them through Canada and New Zealand.

Derek Johnston shot the visitors in front before the break but the West came storming back with goals from Ray Ilott in the 76th minute and George McMillan minutes later. WA's Frank Bibby even missed a penalty. Up until then, WA had never won what they would consider a significant victory against strong overseas opposition. Their first recorded success over a national side was a 5-1 triumph versus India in 1938, where many of the Indians played with just tape wrapped around their feet.

State success didn't eventuate again until 1967, when WA downed Thailand 3-1 in the Indonesian Merdeka tournament. It was the first time the state side ever ventured overseas. They later beat Singapore 5-3 in the same competition to finish ninth from eleven participants. WA made two more trips to Kuala Lumpur, where their best performance was a third placing in 1968. The first overseas Cup success was a Marah Halim Cup in 1975 against nations like Japan, Thailand and South Korea.

## A TON OF STATE MEMORIES

By Richard Kreider

They successfully defended the trophy the following year but weren't so triumphant on the next four occasions, with the last coming in 1995.

On the minus side however their worst results were against Yugoslav giants Hajduk Split, who visited in September 1949 when they tore WA apart to the tune of 14-1 and 13-1. But since that astonishing result with Rangers, which was played before 9,000 euphoric fans at Perry Lakes Stadium, the state side has collected many other high-profile scalps. Apart from triumphs over numerous Asian clubs and countries, their most noteworthy wins include a 2-1 win against the Socceroos in 1983, Bundesliga club Werder Bremen (3-2 - 1992), Iraklis of Greece (4-2 - 1993) and English clubs West Ham United (5-3 on penalties - 1995) and Nottingham Forest (2-1 - 1995).

To have successful results you need players to suit and there has been a plethora of notable talent to have worn the WA colours since 1902.

Apart from brothers George and Frank Burt, who were both able forwards the time when soccer officially kicked off in 1896, South Australian-born Royston Macauley Evans was one of a number of talented footballers to have made an impact in the early 1900's. A tall and speedy forward, 'Mac' was also a State cricketer between 1906 and 1924, but it was his soccer skills that shone brighter, with the Rangers and Civil Service clubs. He played with Civil Service in the inaugural Grand Final of the Charity Cup in 1903 at Lotons (Perth Oval) before his talent was rewarded with a State guernsey; firstly to South Australia in 1905, against the MCC in 1908 where he netted a penalty in their 3-2 defeat, the extensive yet exhaustive tour of 1909 and the three game series against South Australia the following year at home, where he scored in the third match which ended 1-1. There is no question he would have played more representative matches had the Great War not raised its ugly head in 1914 through to 1918. Evans was 41 when the State side resumed playing in 1925, so even though he was a fitness fanatic, his soccer days as a first-class competitor were sadly over.

Evans later got involved with the local soccer's governing body (WA Soccer Football Association) in an executive capacity, as vice-president in 1947-52 and finally as president in 1953 up until he was 72 years old (1956). 'Mac' Evans passed away in 1977, aged 93. Other prominent names from those foundation days include goalkeeper 'Gunner' Hills, Arthur Hardwicke, Frank and Arthur Leake, Godwin and Hubert Parker of the Perth Soccer Club, H.Nesbit (Thistle) and defenders Martin Pope and George Hatton of the Civil Service team.

Between the World Wars, WA soccer saw many skilled identities and rising stars like evergreen goalkeeper Sandy Marr, Tommy Guthrie, Jack Walmsley, Bill Brackenridge, Bill Waddell and Ben Newell of the successful Caledonians club, brothers A and J Gordon (Casuals), Tom Guthrie (Fremantle City), Bert Robertson, Tom Clayton and Don McArdle of the powerful North Perth team and Jack Conduit, a powerful striker from the Victoria Park club who had a months trial with English club Blackpool in December 1934.

## A TON OF STATE MEMORIES

By Richard Kreider

Club soccer was resurrected a year after WWII, and State matches recommenced in 1947 using the likes of Jack Smethurst (Queen's Park), Miro Uleha (Azzurri) goalkeeper Ron Oswald (Balmoral), Alan Beale (Spearwood Rovers), inaugural Edgar (fairest & best) Medalist (1952) Frank McShane and Bob Cherry (South Perth), Olympian Con Purser, Don West, Alec Mansfield and the popular Adair brothers Ron, Noel, Bill of the North Perth club and Jack Adair (Perth City).

A considerable change went through the code after the Federation take-over in 1960, with significantly more southern European players emerging from the likes of such clubs as Italian-backed Perth Azzurri and East Fremantle Tricolore, Cracovia (Poland), Morley Windmills (Holland) and Swan Athletic.

These identities include goalscoring ace John McInroy and goalkeeper Frank Franken (EF Tricolore), Attilio Pasqualotto, Nino Segon, Bruno Marocchi and John Van Oosten (Azzurri), John O'Connell (Swan Valley), Alf Debono (Bayswater), Brian Newell, Paul Sobek, Ziggy Pieda and Richard Kusimski (Cracovia), Theo Paap (Morley Windmills), Gary Mateljan (Swan Athletic) and Chris Ducasse (Olympic).

Local soccer changed for the better from the early seventies, with arguably its best period, in terms of State team success. This was achieved through the likes of ex-Socceroos skipper Gary Marocchi, Aldo and Tony Trinca, Sauro Iozzelli and winger Dave 'Skippy' O'Callaghan from the powerful Azzurri club, Denis Barstow (Morley Windmills) Socceroos striker Ray Ilott (Ascot), Socceroos defender Dave Jones and Hugh Miller (EF Tricolore), goal aces Len Dundo (Olympic), Johnny Davidson and Nick MacCallum (Inglewood Kiev), Steven Sceats (Ascot), Steve Stacey and ex-Southampton John Sydenham (Athena), Welsh International Reg Davies (Bayswater) and goalkeeper Tony Witschge (Spearwood Dalmatinac). Rangers aside, the majority of these players faced the likes of Middlesbrough, Manchester United, Tottenham Hotspurs and Sunderland as well as their overseas success at the Marah Halim Cup.

The eighties through to the late nineties didn't see half as many games but WA fans still managed to see the might of top teams like AC Milan, Northern Ireland, Bournemouth, Queens Park Rangers, Nottingham Forest and Millwall.

WA fielded a number of quality players like Stan Lazaridis who made his mark on the international stage after a sensational performance against West Ham on the WACA Ground in 1995, where his pace continually left his more experienced marker Tim Breacker in his wake. Lazaridis signed for the Hammers not long after, before moving to his current club Birmingham City.

Other State representatives include Frank Smerilli, Mel Brown, Kevin Elliott, Eric Williams, Ross Greer and Scott Miller (Spearwood Dalmatinac), strikers Frank Bate and Paul Tombides and midfielders Ronnie Campbell and Allan Pottier (West Perth Macedonia), Gareth and Craig Niven, Nottingham Forest trialist Anthony Carbone and Socceroos sweeper Robbie Dunn (Perth Italia nee Azzurri), Paul McVittie and Rene de Koning (Bayswater Inter),

## A TON OF STATE MEMORIES

By Richard Kreider

Ricky Davis, Jeff Curran, Michael Roki and John Hunter (Floreat Athena), Peter Murphy (Italia), Paul Strudwick (Kiev), Andy Wright, Norrie Sutton and Socceroos goalkeeper Robert Zabica (Stirling Lions).

A number of the above later became Perth Kangaroo players who won the 1994 Singapore Premier League title, before signing for Perth Glory in the inaugural season of 1996/97. Similarly, the WA State team has seen its fair share of accomplished coaches like Alec Mansfield, Tommy Clayton, Doug Stewart, John Adshead (coached New Zealand at the 1982 World Cup), current Glory Assistant Coach Alan Vest (also coached the Kiwi's along with Malaysian sides and the team that beat Rangers in 1975), former Chelsea and West Ham's Ron Tindall, Mike Leigh, Eric Williams and ex-Socceroo captain Gary Marocchi.

Now that Perth soccer fans are enjoying quality football every summer through the Glory, the question has to be asked, is there still a need for a State soccer team when there is now a National Soccer League? According to Gary Marocchi, there is. "It's a stepping stone for the younger players," he said. "If Glory doesn't pick them up, then someone else will; so here's a chance for those clubs to still see WA players at a top level."

"Glory can only take so many players and it makes it very difficult if there isn't another avenue available." "Personally, I hope State soccer is not killed off but in fact I would like to see a State-of-Origin tournament start up, which includes national league players," Marocchi concluded.

Richard Kreider is a historian of Western Australian soccer and author of 'A Soccer Century'.

## STATE TEAM - FRANCE

### KICK-ON!

After the final whistle, there's one place in the middle of Perth that many teams call home... Where they can celebrate their win or console each other till another day... A place that's proud to be a sponsor of the world's greatest game... There's only one place like it....

In May 2001, the State Under 19 Squad made an historic trip to France to play in the prestigious Tournoi I.C. Croix Cup. This Competition in its 45th year had teams from Africa, Argentina, China, Portugal, Belgium, France and England.

The trip was made possible by the kind Sponsorship of the following:

Oceanus Restaurant, Tradelink, Kleenmaid, McInerney Ford, Midland Brick and MRG International.

Although the squad had a limited amount of time to prepare, Eric Williams (Coach) had 23 sessions, and 4 practice games between the 23rd April and 28th May when the team left for France.

Results and Match Reports sent in by Coach Eric Williams.

Our first training session was conducted on an artificial all weather pitch and our first official match versus the host team, CROIX, was played on the all weather pitch. This result was satisfying and a 4-2 win.

Our first Tournament Fixture was against a full time club team from Portugal, sporting Clitoria Guimares - a fiercely contested match filled with excitement, team work and techniques made a thrilling spectacle. The result was a 0-0 draw, but WA had scored 4 corners to 2, which for this tournament was all taken into account. A very good team effort.

The following morning our next group match was against RACING CLUB LENS. A past winner and the previous year's runners up to Brazilian side SAO PAULO. The WA group was named the group of death.

R.C. LENS took a 2-0 lead early in the match, with WA scoring after some chances went begging, but were unable to equalise. By half-time, WA had to win this match to qualify for the Semi-Finals, as R.C. LENS had beaten the Portuguese the previous day 2-1.

The second half commenced with WA forcing the first corner within a minute. Chances fell to SARPE, NAGLIERI, and FOSTER following an intense period of team play and creativity. The reward seemed a formality as R.C. LENS had no answer to the WA pressure. A penalty was awarded to WA as SARPE was fouled and the scene was set with only 9 minutes remaining. The penalty was missed and the rebound was cleared and within a minute R.C. LENS took their luck to the other end and converted a chance off the post 3-1 and a disputed offside decision was allowed to stand, which enabled the French side to score a fourth goal. Result 4-1. WA overcame a poor start, and played very well up to the disappointment of the penalty miss, and can only reflect on the chances not taken. A good performance none the less.

This result put WA in the section to play TUNISIA NATIONAL U19 SELECT. Very tall, athletic and technically excellent team with some outstanding players.

Unfortunately, a slow start put WA 2 goals behind, but managed to score in the second half 1, but a late goal gave the Tunisian's the 3-1 result.

## STATE TEAM - FRANCE

In reflection, the Tunisian team were of a very high standard and the WA team took a little too long in asserting their presence. However, some fine individual play with TASESKI saving a penalty.

The match against China was the final match, and a lack lustre 5-0 win for WA was of little consequence, with WA far superior to our Asian neighbours.

### UNDER 19s FRANCE 2001 REPORT

An experience which will be of great benefit for future WA teams who compete in this very prestigious tournament. Generally, a sound team effort with a few individuals really performing well and influencing certain phases of the matches.

### QUARTER FINALS

Sorrento, on their way to a League Title, could not carry their form into the Cup Quarter Finals going down 1-3 at the Percy Doyle Reserve.

After leading 3-0 at half time, Floreat Athena proved too strong for First Division side South West Phoenix at the Litis Stadium. Floreat added another three in the second half from Miguel Ortiz, Andrew Afkos, Adrian Sutton, Hugh Miller and Troy Bernard getting Floreat's goals, whilst David Suttie scored a consolation goal for South West Phoenix.

Rockburn City took out a close encounter beating ECU Joondalup 1-0. A penalty score by Branimir Mikulic in the 86th minute proving to be the winner.

Perth SC were far too good for First Division side Stirling Suns at Dorrien Gardens, winning 0-0. Leading 3-0 at half time Perth kept up the pressure in the second half by scoring the other 3 goals.

Young Rhys Graham bagged two coming from the bench in the second half. The other coming from Aaron Cole, Jamie Coyne and a double from midfielder Mark Pottier.

## BORAL CUP

### SEMI FINALS

Two goals in the second half by Floreat's Doug Ithier sank Cockburn City's chances of a Cup Final place.

Cockburn opened the game in great style and went onto lead in the 25th minute. Strike Paul Cooke the scorer. Twelve minutes later Robin Dyer levelled for the teams to be locked 1-1 at half time.

Floreat came back in the second half with their midfield getting on top. They took the lead in the 75th minute. Ithier scoring from a free kick, and three minutes later Ithier was again on the score sheet with a penalty.

Cockburn threw everything at Floreat in the dying stages, but could not find the net.

Perth SC moved into the Final after defender Aaron Cole scored the only goal of the game in the first half against Inglewood at the National Homes Stadium.

Cole was in top form and the former Glory defender looked good enough in this game to make another attempt in the National League.

Although dominating the game for long periods, Perth found goals hard to come by against the young Inglewood side, who deserve credit for their performance.

In a hard fought encounter Perth beat Floreat 2-0. Defender Aaron Cole followed up his goal in the Semi-Final with his sides opening goal just on half time.

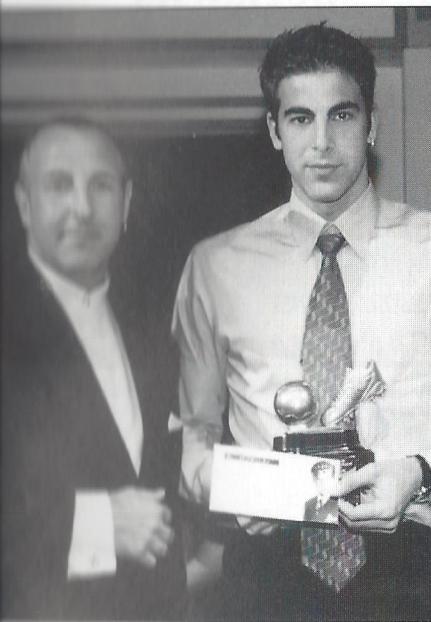

Strong midfielder Jamie Coyne wrapped up the game in the 53rd minute, in what was at some times very torrid.

Referee Angelo Nardi had a busy afternoon issuing nine yellow cards.

## TONY BARLOW MENSWARE Branimir Mikulic GOLDEN BOOT

Golden Boot Winner Cockburn City's Striker Branimir Mikulic

The winner of the Golden Boot Award for the 2001 AAPT Cellular One Premier League Season, Cockburn City's Branimir Mikulic scored 16 goals in the 18 rounds of the Soccer West Coast run semi-professional competition.

Scoring three hat tricks, the first of them on the 7th April opening day of the season in Cockburn's 3-0 victory over Swan IC at home on Dalmatinac Park. Rounded out April with goals against Sorrento and ECU Joondalup to take his total to 5 and head the list.

As the weather cooled in May, Branimir turned up the heat with 2 goals in his team's victory over Inglewood United on the 12th May and 2 more on the 19th May as they downed Floreat Athena.

In Cockburn City's return match with Swan IC. He repeated his first round effort for his second hat trick of the season as his team ran out 4-1 victors on the 9th June, and two weeks later playing the game of his life keeping his teams hopes alive against Sorrento, the league leaders and scored his third hat trick as they went down 3-4 at Percy Doyle Reserve, and his tally to 15 in 12 games.

Scoring his sixteenth on the 17th July in Cockburn's 3-0 victory over Perth SC. Injury to his right leg in the next game saw his teams fortunes evaporate. Branimir also won his team's highest honour, easily winning the Fairest and Best award for the 2001 season.

## 2001 MIDLAND BRICK NIGHT SERIES

### GRAND FINAL

Perth S.C. started the 2001 season in great style, taking out the Midland Brick Night Series in fine style beating Floreat Athena 2 – 1.

Coming back after being down 1 – 0 at half time, it was not until the 49th minute that Jamie Coyne scored the winner for Perth.

Floreat could not have started better. Former Glory player, Doug Ithier scored after only 4 minutes of play and looked very good in the opening twenty minutes.

Perth coach, Graham Normanton, made vital changes in the second half, which had the desired effect. Andres Oliveira and David Onoforo coming on for Steven Willey and Boni Botha.

Within minutes of the first substitution, Nick Mrdja scored Perth's' equaliser and the scene was set for an exciting finish.

**Questions**

What have the three names above have in common?

**Answer**

They all played soccer in Perth during the 2001 season.

**Question**

How did this come about?

**Answer**

Not one to miss the opportunity to promote soccer, Tombides approached the

Management of these super stars knowing that they are avid supporters of the round ball game.

Receiving immediate response, Tombides arranged for some of the States old boys to front up to a 5 aside game against Robbie Williams team, who in fact rang back the next day for another game.

Rod Stewart who is a great follower of the game put on the boots for a couple of runs at the Litis Stadium.

All good stuff for the promotion of the game.

## KEN SAUNDERS TROPHY

During the 2001 Season, soccer in Western Australia tragically lost one of its most ardent supporters when Ken Saunders died.

Ken, father of former Premier League player John "Bomber" Saunders will be remembered for his smiling face at the grounds he visited over many years.

RE-FIT TYERS of Landsdale have donated a trophy to the Best Performed player of the Under 19 State Team in memory of Ken.

The first winner was Oliver Taseski, the goalkeeper from Inglewood United SC.
